## *From Across the Principal's Desk*

Dear Parents / Caregivers,

Kia ora tatou

The last two weeks of school have been very hectic with athletics, swimming, a Mayoral Reception and Conferencing all taking place. This week has also been the start of the second half of the term which is passing very fast.

### **Athletics**

It is nearly two weeks since we held the athletics finals. This was a very successful event and it was fantastic to see so many students participating in the various events. This event would not have been possible without the considerable time and effort put in by staff in preparation for the event and on the day. It was also great to see so many parents and whanau arrive to watch and support the students competing. Thank you for your support in this event.

### **Swim sports**

Last week selected Year 7 and 8 students competed in the Temuka Sports Group swimming competition. It was a great pleasure for that so many of our students were presented with certificates for their placing in this event in last Monday assembly. Thank you to those parents and staff that supported this event and also the participation from the other schools.

### **Mayoral Welcome**

Last week our Te Umu Kaha students performed at the annual Mayoral Welcome for our international students who have come to the South Canterbury Region. This week I received a letter which acknowledged the 'amazing and passionate performance that was enjoyed by all'. Well done to those students who performed with pride.

### **Conferencing**

This week we have held the first round of conferencing. Thank you to all the parents who attended to listen to students talk about their own learning plans and what they would like to achieve during the course of the year. In order for our students to be successful it does rely upon the support from the home to encourage and remain involved in our students education. Please do remain involved with your child's education and talk to them about their progress towards their goals as the year continues.

### **Year 7 survey**

Each year we survey our new Year 7 students. The surveys had been scheduled to be sent out last week but due to sporting events this was delayed. It is important to Opihi College to know what the first impressions our new students have of their new school. It is also equally important for us to hear from the parents too. The deadline for the return of these surveys is next Monday, 9 March in order for students to go in the draw for a family movie pass. If you, as a parent, have not seen this survey please talk to your child or contact the school office for a survey form.

### **Cyber Safety**

As part of our efforts to keep our students safe and for them to be aware of the potential problems with social media, text messaging and other digital communication applications we will be having a visit from the South Canterbury Police to talk to students. This is part of the education programme which is carried out during the course of the year.

Last year we also hosted an Attitude Presentation in May for both our students and the wider community. We encourage parents to also be actively involved in guiding students through the minefield of the digital age. We hope to have similar community presentations in 2015 and would encourage all parents to attend. Please look out for the notices and newsletters with information about these events.

### **Finally**

We have more sporting fixtures and events coming up before the end of term. All parents and whanau are welcome to attend these events and your support is greatly appreciated.

## WORLD CUP CRICKET TRIP

Many thanks to Mr Osborn, Mr Goldfinch and the parents who accompanied the students, and to Mrs Mulvena for her organisation.

### What is the ANZ Olympic Schools Programme

ANZ has developed the ANZ Olympic Schools Programme with the New Zealand Olympic Committee to inspire and motivate New Zealand's youth, through the magic and celebration of the Olympic Games. Schools will be provided with resources and merchandise to provide opportunities, activities and incentives for students to live the Olympic Values. In addition to the great resources schools can receive, ANZ has also tailored the programme so their staff can personally help schools earn credits to spend at the ANZ Awards Centre and also secure the chance to have an Olympic Ambassador visit the school.

ANZ staff will be encouraging people within their school communities to support their school and come to ANZ for their next home loan. For every home loan drawn down a school can earn credits to spend on items from the ANZ Awards Centre, items such as sports equipment or computers. As an example an eligible home loan drawn down by someone linked to your school to the value of \$50k or more will entitle the school to 800 credits. 800 credits equates to approximately \$400 of spending power at the ANZ Awards centre.
