OPIHI COLLEGE SWIMMING SPORTS

We had a fabulous day last Wednesday for our annual Swimming Sports. It was great to see so many students competing in the competitive and fun events. The biggest hit was the piggy back race which saw 100 students get in the pool to give it a go.

Special congratulations to Sophie Hall (Year 11) who broke two long standing records on the day:

33m Freestyle – new record of 19.47. Previously set by Clare Burrough in 1999

33m Butterfly – new record of 22.03. Previously set by Clare Burrough in 2000

If the new development of the Temuka Pool goes ahead over the winter months, this could be our last year of 33m records, as the new pool will only be 25m. That means that next year all new records will be set.

OPIHI COLLEGE

P O Box 175 Temuka 7948, New Zealand

Greetings to our school community,

As you will be aware, the spread of the Coronavirus is expanding internationally. While at the stage I am writing this letter we have no victims in New Zealand, it seems likely that situation could change rapidly.

The nature of this virus is still unclear, but it appears that it can take some time from contact for any symptoms to show. This incubation period is currently believed to be 14 days.

Obviously, we need to ensure that our school student and staff are as protected as possible. We continue to receive updates from Ministry of Education and we are putting the following in place:

- a. Any staff member or student, who may be at high risk of exposure because they have recently been to China or have been in close contact with someone confirmed with the virus, is asked to delay the start of their school year for 14 days and voluntarily stay away. Please advise the school of the situation if that is the case.
- b. If any of our staff or students are unwell and suspected of having an infectious disease, we ask them stay away from school for the infectious period of the disease (Section 19 Education Act).
- c. We will keep our wider school community informed as more information comes to hand.

Further information on the Coronavirus:

If parents have a particular concern about any child, they should contact Healthline at 0800 611 116 or their GP for medical advice. Healthline has translators and interpreters available 24/7 in 150 languages and they do have Mandarin and Cantonese speaking staff available.

You can also contact your local District Health Board if you require further information – Public Health Unit Contacts <https://govt.us3.list-manage.com/track/click?u=2f59fcd18a691d315b5a045cb&id=bc93b24dcf&e=8f60c66299>

Current travel information – please do continue to refer to the Ministry of Health's information page on their website. It will be updated as new information comes to hand.
