OPIHI COLLEGE ATHLETICS

We have had a couple of fabulous Athletics Days in the past two weeks. Our own school athletics on Thursday 5th March saw lots of students competing and generally having fun. It was great to see so many family members and friends coming along to support our athletes.

This year was the first year (since we can't remember when) that the Year 13 students won the student vs staff 4x100m relay. I can't even say that it was a close race, because it wasn't. Congratulations to the Year 13 group!!

The Country High Athletics were held last Wednesday at Opihi College. This is a day where we are joined with Geraldine High, Mackenzie College, Twizel Area School and Waimate High. We had some excellent results from that day which you can see later in the newsletter. From there a team was selected to represent Opihi College at the Aoraki Athletics, but unfortunately that was called off. Thank you so much to Mr Robson for organising all of the various athletic events.

OPIHI COLLEGE

P O Box 175 Temuka 7948, New Zealand

Dear Parents / Caregivers

As you are aware, the Government has announced over the past few days that they are stepping up their pandemic influenza response plans. This means that the situation overseas has changed and New Zealand's borders have been tightened in an attempt to stop the virus spreading here. Those entering the country must self-isolate for 14 days.

Opihi College, along with all other schools, is taking direction from the Ministry of Health, the District Health Board and the Ministry of Education. We have been advised that at this stage there is no reason for alarm and that schools will continue to remain open for instruction. However, we must be vigilant to mitigate risks to ensure the well-being of all those in our school community. As a result, we are currently reviewing school trips where students may come into contact with large groups or with overseas tourists.

Our Opihi College Senior Management team has put together a comprehensive pandemic plan to ensure that systems are in place to cope with the potential challenges ahead, including plans for on-line learning programmes.

The most important thing you can do as parents and caregivers is reinforce healthy messages:

- Teach your children the importance of hand washing and drying - especially before meals and after toileting. We recommend your student have a personal hygiene kit at school (with hand sanitiser, personal wipes and tissues). While we have a limited supply available to students, it is best practice for them to have their own.
- Teach your child to use a disposable tissue when coughing or sneezing.
- We ask that all students exhibiting flu-like symptoms be kept home until cleared by a Doctor or nurse to return.
- Please make sure that if your contact details have changed that you have notified the College Office.

The Board of Trustees and Management Team are working closely with staff to ensure that all students are in a safe and healthy environment.

If you have any questions or concerns, please contact the College Office.

Yours faithfully,

Mr Tony Robson
Deputy Principal
